The Season of Christmas

Jesus, who came into the world as a child, believes in a world on a child's scale, on the scale of everyone. He made us understand this by being born in Bethlehem. But even today He makes Himself close to the children of every country and people, and He does so every day. It is the style of God, which is described in three words: closeness, compassion and tenderness. This is God's style, there is no other.

Pope Francis
